grandeeee Rominaaa bellissimeeee...

colgo l'occasione per dire a tutti gli amici che in questi giorni hanno scattato fotografie al med fest di portare i file domani sera o in chiavetta o su cd, le raccoglieremo e selezioneremo per creare un lavoro collettivo da vedere poi tutti insieme in sede :)

Barbera ha espresso, nel pieno possesso delle sue facoltà mentali, la seguente opinione:

bella la riunione così.... [http://www.acaf.it/new/images/fbfiles/images/riunione\\_acaf.jpg](http://www.acaf.it/new/images/fbfiles/images/riunione_acaf.jpg)

Trovare una mia foto qui.. senza che io lo sapessi.. mi ha suscitato emozione, o forse ha suscitato emozione a chi ha deciso di pubblicarla..

ma magari un semplice avviso? :unsure: :S
