

## London 2.0

Postato da simone.sapienza - 2011/05/20 16:31

Chiedo scusa se non posto direttamente le foto, ma il tempo è pochissimo ultimamente! Per comodità posto il link nel blog dove ho fatto l'upload.

Spero vi piacciono! :surprise

ripeto anche qua che sei davvero bravo e in generale è un lavoro che mi piace.....l'unico consiglio che potrei darti è quello di uniformarlo come presentazione....scegliere il bn o il colore....dagli uno stesso taglio.....cmq bravissimo ( e sono altre 50 euro :) )) ciauuuu

Si ma siamo già a 100... di questo passo :laugh: :laugh:

Comunque grazie mille... riguardo bn e colori è vero, me l'ero ripromesso, ma Londra mi ha messo in difficoltà: dovendo scegliere le avrei fatte tutte in BN, ma temo di essere poi monotono.

Per il taglio, il lavoro è ancora più lungo, dovrei scegliere un max 3-4 formati standard... anche per motivi estetici in gallery o eventuali stampe

Si dovrebbe anche limitare il numero di foto poste...troppe per un reportage

grazie ancora!
